Compass Annual General Meeting – 6th May, 2017 In The King's Hospital School, Dublin from 10am to 1.30 p.m.

All Compass Representatives and parents from your schools are invited to the A.G.M.

AGENDA

10.00 a.m. Coffee on arrival

10.15 a.m. Welcome by Richard Brickenden (Compass President) followed by A.G.M and talk.

AGM Agenda - Circulation of 2016 A.G.M. Minutes, Hon. Sec. Report 2016-2017, Hon. Treasurer's Report & Accounts for 2016, Adoption of Accounts & President's Report and also Election of Officers and Executive Committee for 2016-2017

We are delighted that Dr Padraig Kirk, Director, CPD for Junior Cycle, and who is spearheading this initiative, will give a talk on '**Junior Cycle – Changing for the Better**'. This talk will help to better inform parents about the new exciting way of education for Junior Cycle going forward. It is expected that parents will play a more involved role in ongoing education of their children. We would encourage parents, particularly of 1st and 2nd Year students, to attend this talk by Dr Kirk who is at the cutting edge of this educational change.

1.30 p.m. (approx) School lunch for those who require it.

(Please contact the Secretary on martin114@eircom.net if you wish to stay for lunch)

We would also ask for a PTA Representative from each school to email an update from their PTA on what's been happening at their school to Compass Secretary at martin114@eircom.net so we can have this available to share with all schools on the day.

The Compass Executive Committee strives to develop and promote the Organisation. To this end, and to ensure we have a good flow of information to and from Compass and our schools, it has been suggested that each of our Schools ask their parents if they would like to become involved and if possible nominate one or two parents as Representatives. To ensure the future of Compass it important to get new people involved to and also bring new ideas with them. We would be delighted if you could discuss this among your PTA and we would welcome any views and even better names of interested parents.

We hope that as many parents from Compass affiliated schools can attend and look forward to seeing you at King's Hospital. We extend our thanks to the Principal Mr John Rafter for facilitating the meeting.

Julie Carr - Secretary
