Email to Form 1 2022 Applicants - key dates & actions Jan'21

Dear Parent and Guardian

I hope that you are all keeping well and not finding these current restrictions too challenging. On behalf of the Admissions Team we are writing to let you know the next steps for your child's application for Form 1 2022. Due to the Covid-19 pandemic last year and the introduction of a state wide Admissions Policy there were some changes to the process for 2021 applicants, and we envisage that most of the Covid-related changes will remain in effect, for the remainder of this year.

We were unable to host our scheduled Taster Sleepover in March and our Open Day in June 2020, due to the Covid-19 Pandemic. Our offers for Form 1 2021 took place in November, unlike May in previous years, due to the new Admissions Policy. Although there are changes to the timing of offers and the process for late applications, there was no change to existing applications for enrolment years 2021-2025 and you remain on the waiting list as before, under the same selection criteria. An infogram for selection criteria can be found [here](#).

Click through to the [Admissions section](#) on our website for more enrolment information, including fees.

We filmed a Virtual Open Day in September, which featured multiple videos from each school department, featuring students and school leaders, as well as a VR tour of the main school buildings. Although it did not fully replace the experience of our Open Day, it was greatly appreciated by 2021 applicant families. This [Virtual Open Day](#) is available to view on our website and I think you will find it gives you a great sense of the vibrant school community enjoyed by generations of KH families.

Over the next month, we will be updating our website and admissions pack with the latest academic and extra-curricular information. Although we have made many adjustments since last March, and find ourselves once again engaging remotely, we remain hopeful that there will be less disruption to our lives, as the year progresses.

Next steps for you – please fill out the following quick google forms if any of the below apply:

- [Change of Details Form](#) - please fill out this google form if any of your contact details or family circumstances have changed.
- [Withdrawing Application Form](#) – if you no longer wish to remain on the waiting list and therefore be removed from our mailing list, please fill out this quick form to let us know.
- [Religious Affiliation Form](#) – If you have checked the religious affiliation box on your application but have not had the form signed by the church please fill out this form, otherwise you will be moved out of that selection criteria.
